Oakland University is a public university in southeast Michigan. A suburb of Detroit, Rochester is a center for opportunity. Right in Oakland's backyard are many internship options for students to apply what they've learned in the classroom. Students can also take advantage of on-campus employment including graduate assistant positions and graduate research positions.

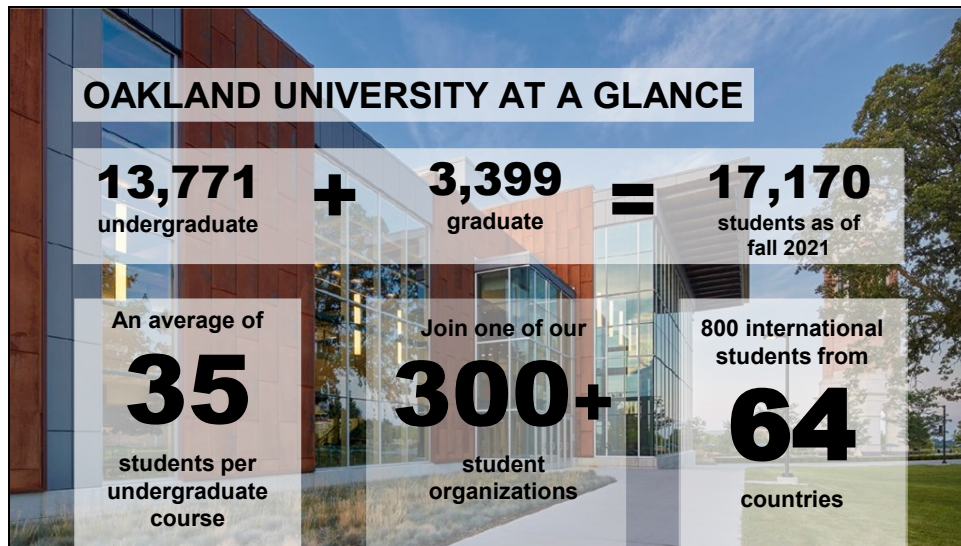

CAMPUS SAFETY

#1 Safest Public University in Michigan

#3 Safest College Campus in the United States

Oakland University proudly boasts one of the lowest crime rates in Oakland County and the number one safest public University in Michigan and third nationally, partially due to the many safety features in use around campus. There are over 100 blue lights all across campus, which will connect anyone directly to the OU Police Department dispatch.

They also offer text message alerts that will send a notification directly to your phone in the event of an emergency situation on campus. Students and parents are both eligible to receive these and can enroll on OUPD's website. OUPD officers are also on our campus 24/7 365 days a year.

OU is a mid-size public institution - home to over 17,000 students made up of over 13,000 undergraduate and over 3,000 graduate students. Our international students represent 64 countries from around the world.

Undergraduate class sizes have an average of 35 students in them. Outside of the classroom there are over 300 student organizations that students can be involved with.
