Abstract

Type your abstract here, you may need to write multiple paragraphs, make sure to follow the instructions of writing an abstract.

Always make sure to leave a blank space at the start of the paragraph, if you used an abbreviation you need to state the meaning first capitalizing each word then write it between parentheses, for example, I study at Princess Sumaya University for Technology (PSUT).

Abstract lines are single-spaced, only the default 1pt, but paragraphs are, make sure the lines are justified. All of the above instructions are saved in a defined style "Abstract" once you choose it from the Style section it will apply automatically.

Your abstract must provide the reader with a clear and inclusive idea about your study, your approaches, the problem, your methodology, your tools, and a summary of your results and conclusions, all of that must be addressed in brief.

Chapter **1**

Introduction

This is the first paragraph, the style used is "Thesis Body" which we defined, you will use this style in writing the body of your thesis, this style has 12pts Times New Roman font, lines are 1.5-line spaced, and paragraphs are 12pts spaced and justified. The first line of each paragraph has a default blank space at the start, this space is generated automatically, however, make sure these specifications are met. In the next paragraph you'll find some samples for the figures and tables captions.

The first subheading is smaller than the main heading but larger than the following headings, to insert the first subheading choose Heading 3 from the style list.

Any following subheading after the first has the same font size as the text but in bold, this can be chosen from styles section, Heading 4.

الملخص

قم بكتابة الملخص باللغة العربية هنا، تأكد من أن حجم الخط ١٤ و أن نوعه Simplified Arabic .
تم حفظ إعدادات الكتابة في Arabic Abstract .

يجب الانتباه إلى أنه لايمثل الترجمة الحرفية لما ورد في الملخص المكتوب باللغة الإنجليزية، وإنما هو ملخص تجريدي، يصف المشكلة، والأسلوب المتبع في حلها، والنتائج التي تم التوصل إليها في البحث، على شكل فقرات متسلسلة، تتكون من مجموعة من الجمل المترابطة، التي تم ربطها من خلال أدوات الربط المناسبة.

يعتبر الملخص من أهم أجزاء الرسالة؛ لأنه يعطينا مؤشراً مهماً أثناء اختيارنا للأبحاث، والدراسات السابقة؛ فهو يساعدنا في تحديد مدى علاقة البحث بموضوع الرسالة، ومن هنا تظهر أهمية العناية بإعداده وإخراجه بالشكل المناسب.
