### Requirements for Applying to Master's Programs

All applicants to PSUT graduate programs must hold a bachelor's degree obtained through regular, full-time study from an accredited university, with a minimum rate of (Good). The bachelor's degree must be in a subject that qualifies the student to study in the program they wish to enroll in. Some applicants may be required to take remedial courses specified by the concerned department. TOEFL iBT or IELTS Academic is required of all applicants. The test result must be from an accredited center in Jordan (not online) or from one of the accredited centers in the country where the applicant resides, provided that an official document is submitted proving the accreditation of the center. Alternatively, the applicant may enroll in the remedial English program (6 credit hours) during their first semester of study.
