Requirements for Applying to Master's Programs

Applicants must hold a bachelor's degree obtained through regular, full-time study from an accredited university, with a minimum rating of Good. The bachelor's degree must be in a field that qualifies the applicant to study in the desired program. Some applicants may be required to complete remedial courses as determined by the concerned department.

A valid TOEFL iBT or IELTS Academic score is required for admission. The test must be taken at an accredited center in Jordan (not online) or at an accredited center in the applicant's country of residence, provided that an official document is submitted confirming the center's accreditation. The test result must not be more than two years old from the semester of enrollment.

Alternatively, applicants may enroll in the remedial English program (6 credit hours) during their first semester of study.
